Dear Mr. Tharaka De Silva,

I am excited to apply for the junior software engineer position at VIRTUSA Pvt. Ltd as advertised on your virtusa.com. As a recent graduate of Rajarata University of Sri Lanka with a Bachelor of Information and Communication Hons. Degree with my intern experience.

I have done a six months long internship at Root Code Pvt. Ltd, where I gained valuable expertise in programming, C++, Python and Jira. I have also taken online platform on Leet Code which has helped me to enhance my coding expertise. Among my technical skills, I have team leading capabilities, I was selected as the team leader for our university projects and assignments and one of our projects won the first prize. Also I possess good communication skills. I am eager to contribute my skills, knowledge and fresh approach to the company's growth.

Finally, I believe I am a suitable fit for your company as I possess all the required skills and some valuable certifications that will bring value to your company. I am excited to be a part of VIRTUSA Pvt. Ltd. It's my passion too. Kindly, contact me to schedule an in-person or telephonic meeting.

Thank you for your time and consideration. I've also attached my CV for evaluation. Looking forward to hearing from you.

Regards,
Naja Naffar
